Catch the Reading Bug
at the Tipp City Public Library

Here's how the club works:

1. Sign up at the reading club table. You will be given a reading sheet to take home. Print your name on the sheet, last name first.
2. Write titles on your reading sheet as you finish them. When your sheet is full, (15 titles), turn your sheet in at the front desk of the library to claim a small prize. You may pick up another sheet at this time. For each reading sheet completed and turned in, you get to pick a prize from the prize box.
3. Each time you visit the library, you may fill out a raffle ticket and drop it in the container on the club registration table. Fill out ONE ticket per visit, NOT one per book. Names will be drawn weekly for prizes. At the end of the summer, we will draw more names and give away special prizes. Winners will be notified by telephone.
4. READ 15 BOOKS OR MORE TO:
 - A. Have your name posted on the bulletin board.
 - B. Receive a packet of great coupons at the end of the summer.
 - C. Be eligible to attend the pizza party, thanks to the generosity of Domino's Pizza, on Sat. Aug. 9. This year's entertainment will feature comic juggler, Matt Jergens.
